

# OLYMPIC SPIRIT

## *The StingRay Swim Club* “A place for kids to excel”

- Leadership
- Teamwork
- Dedication
- Goal Setting

This year the StingRay swim club, based in Snohomish County, sent 16 year old Garren Riechel to the Olympic Trials. Garren was the fastest swimmer in the country for his event in his age group and went on to swim with the USA Junior National Team in Mexico. Currently Garren is the 3rd fastest swimmer in his age group in US history, behind world record holder Brendan Hansen.

Garren is one of many swimmers who have reached a high level of national success, while training with the StingRay Swim Club and we celebrate his achievements. It's always fun to see so many kids doing great things in the water, but the real goal of our Coaching Staff is for EVERY swimmer to have fun, meet new friends, realize personal success and go on to highly meaningful and purposeful lives beyond the pool. We hope that you will come try us out **FREE for 1 week** and see why swimming is the best sport on the planet!!!
