

Senior Zone Champs Clovis CA

13 & Over Recap

By Coach Ben

SSC Rocks Fresno!!!!

I was extremely impressed with our swimmers from start to finish. Everyone conducted themselves in a manner consistent with SSC values and all the parents back home are to be congratulated on raising very well behaved and respectful kids. Considering this was the first SSC travel meet for some of our swimmers the performances were much more than I hoped for. I had thought that after a great PNS Champs Meet we might not have much gas left in the tank, but from the start the kids were racing with heart and enthusiasm. At the end of the three day meet we came across with one new club record, 10 top-10 performances, and a new Senior Sectional cut for John Stupey. Several of our kids are now within striking distance of Junior Nationals in Florida next year....we have lots to look forward to!

Thank you to Coach Lynn for working the meet and doing a great job with the kids. Thank you to Ron Weyer and Pam Brooks for their working very hard and taking care of all our needs. We really appreciate everything you did for the kids and coaching staff!

This was a super meet. If you are 13 or over and are below Junior National Standards I highly recommend putting this meet on your list of things to shoot for. This could be an SSC tradition.

Let's Look at Some of The Highlights:
