

Swim-A-thon Update

Are you tired of running your kid(s) from Home to School to Pool, asking friends and family for money, oh yeah and the liquid sunshine of Western Washington? Well we have a solution for one of our lucky SSC families.

One of our families has graciously donated a week stay at a beautiful resort, Hotel Troncones (<http://www.hoteltroncones.com/index>), about 30 minutes, by car, from the Zihuatanejo-Ixtapa International Airport. It is just off the coastal highway and about 20 miles from the main resort areas of Zihuatanejo and Ixtapa. The resort is located right on the beach in Troncones.

If you would like to see yourself, oh yeah and your family, at this beautiful Resort right on the beach in Troncones, let me tell you how to get there. Your family will receive raffle tickets based upon the amount of money your swimmer(s) raise during the swim-a-thon being held Wednesday April 27, 2011. Your family will receive **1 ticket for the first \$100.00 raised and then 1 ticket for each additional \$50.00 raised**. The more you raise the better your chance of drinking margaritas on the beach. The prize is only the week stay at the resort, the winner will be responsible for all travel costs and additional costs while enjoying this tropical paradise. Remember, a passport is required for all travel in and out of Mexico.

We appreciate your support for both the Stingray Swim Club and your swimmer, without all of you this program would not be so successful. Good luck, earn many raffle tickets and have a great time at the Hotel Troncones.

Thank you,
